Bortz - Cabke Ops -Interim -2018.doc

Hi Jim,

I hope this finds you and your family doing well and that you had a good holiday season.

On Monday, you'll be receiving another shipment which will put us about 85 completes.

I know we got another shipment from Brian about a week or so ago.  
Have we received all the documents now?

Also, is our goal 160+ or do you need us to try for 200 again.

The completes are coming in more steadily now and we have quite a few callbacks set up.  
As you know, the biggest challenge with this project is finding the right people - which always seems to change from round to round. The amount of changes in personnel and the way the systems handles responsibilities is really amazing!

I've also attached the Interim bill.

Let me know if you have any questions

Thanks,  
Sandi
